

Space Regulatory Bootcamp 2027

Sponsorship Prospectus

June 7–9, 2027

NEI Headquarters · Washington, DC

Three days in front of the analysts, counsel, program staff, and engineers taking on licensing, compliance, and export control at their organizations.

At NEI headquarters, the bootcamp covers the regimes that govern commercial space activity, including launch and reentry, export controls, government contracting, FCC licensing, and remote sensing. **The CSRP exam is included with every registration.**

In 2027 the bootcamp comes to Washington, DC, where the rules it teaches are written.

Celestial Sponsorship

\$10,000

ONLY ONE AVAILABLE · TOP-LEVEL EVENT SPONSOR

- **Welcome remarks from the podium** on the morning of June 7, before the first session
- Official sponsor of the **June 7 luncheon**
- Your name against **all three days** on the agenda, and room signage for the duration of the event
- Premier logo placement across website, slides, materials and signage — and year-round on the bootcamp page through the 2028 event
- Recognition in the post-event recap, a dedicated social post, and inclusion in pre-event emails

Everything at Satellite level · **3 registrations**

Reception Sponsorship — June 8

\$7,500

ONLY ONE AVAILABLE

- **Exclusive host of the June 8 reception**, mid-event, when the full room is still in Washington
- Welcome remarks at the reception (3–5 minutes) and branding on bar and food service; option to co-brand a signature drink
- Year-round logo placement through the 2028 event, recognition in the post-event recap, a dedicated social post, and inclusion in pre-event emails

Everything at Satellite level · **3 registrations**

Stellar Sponsorship

\$5,000

CHOOSE ONE

1. **Morning breaks** — all three days, with signage at the service and verbal recognition at each break
2. **Afternoon breaks** — all three days, with signage at the service and verbal recognition at each break

Everything at Satellite level · Inclusion in pre-event emails · **2 registrations**

Orbital Sponsorship

\$3,500

CHOOSE ONE

1. **June 8 luncheon** — that day's meal, with signage at the service and verbal recognition at the top of it
2. **June 9 luncheon** — that day's meal, with signage at the service and verbal recognition at the top of it

Everything at Satellite level · Inclusion in pre-event emails · **1 registration**

Satellite Sponsorship

\$2,000

OPEN · THE BASE EVERY OTHER OPPORTUNITY BUILDS ON

1 registration · Verbal acknowledgement during the event · Logo placement on the event website and materials · The opportunity to provide materials to attendees at registration

Student Seat Underwriting

\$600 per seat

FUND A BLOCK OF SEATS FOR STUDENTS ENTERING THE FIELD

- Seats are awarded by ACSP; **each one includes the CSRP exam** at no additional cost
- Named in the scholarship announcement and recognized at the event
- Recipients' contact details shared with you
- An introduction to the cohort at the event, if that is of interest

At \$6,000 — ten seats — an eleventh seat is included, along with everything at Satellite level

The **Space Nuclear Launch Seminar** follows on June 10 in the same building. Three opportunities run across all four days and cover both events — the event lanyards, the registration and welcome desk, and the Wi-Fi network. **Ask for the cross-event sheet.**
